Asda Foundation – Outdoor Community Spaces Fund

The Asda Foundation has launched its new Outdoor Community Spaces Fund, offering grants ranging from £500 to £3,000 for UK-based charities and not-for-profit organisations. With a total

funding pot of up to £500,000, this initiative aims to improve or transform outdoor community spaces where people can gather and foster local pride.

Eligible projects include:

- Transform an outdoor area, creating greener and more engaging community spaces.
- Create or enhance community growing projects.
- Enable community clean ups (Grants for community clear ups only will be capped at £500).

The fund is designed to create greener and more engaging community spaces, with a focus on increasing access for marginalised or vulnerable groups. Applicants are encouraged to propose projects that bring local communities together and make a lasting difference to outdoor spaces.

The deadline for applications is the 11th of February 2025. However, potential applicants should note that the application window may close earlier if the total budget is reached.

To apply, organisations must first complete an online Eligibility Check through the Asda Foundation's Grant Management System. If eligible, they can then submit a full application, which will be reviewed within eight weeks.

FCC Community Foundation

Registered Charities, churches, Parish Councils, Local Authorities and CASC registered sports clubs can apply for grants of between £2,000 and £100,000 for the provision, maintenance or improvement of community facilities.

This can include:

- Village Halls and Community Centres
- Public Play Areas
- Publicly available Multi use games areas
- Skate parks and BMX tracks
- Sport and recreation grounds including pavilions and clubhouses with full public access
- Churches – community spaces only
- Nature Reserves
- Public gardens, parks, country parks and woodlands with at least dawn to dusk access
- Museums

The funding is being made available through the FCC Community Action Fund and is available to projects located within 10 miles of an eligible FCC Environment site.

Recent changes to its funding policy mean that the FCC Community Foundation will now accept applications for renewable energy projects based at community buildings, including solar panels. Applications for non-substantial extensions such as porches, storage areas and toilets/kitchens will in some circumstances will now also be accepted.

All grants require applicants to secure a contributing third party (CTP) payment. This is a very specific payment required to be paid to the landfill operator and should not be confused with match funding.

The next closing date for applications is 5pm on 19 February 2025 ✓

Peter Harrison Foundation - Opportunities Through Sport Grant Scheme.

Charities and Community Amateur Sports Clubs (CASCs) throughout the United Kingdom can apply to the Peter Harrison Foundation Opportunities Through Sport grant scheme. The aim of the grant scheme is to provide opportunities for sport and physical activity at a grassroots level that enable people who are physically, mentally, socially, or economically disadvantaged to develop personal and life skills to fulfil their potential.

The grants can be used for a variety of purposes, such as funding new sports programmes, improving existing sports facilities, or providing training and support for sports coaches.

The Trustees welcome applications for physical activity initiatives that:

- Provide a focus for skills development and confidence building
- Have a strong training and/or educational theme
- Provide specialised sporting equipment or facilities required to open opportunities
- Have a high degree of involvement from beneficiaries and those with lived experience
- Have a plan for sustainability and seek to deliver a lasting legacy

The Foundations provide two levels of funding:

- Major grants: between £5,001 and £30,000.
- Small grants: up to £5,000

Priority will be given to organisations with an annual turnover of up to £500,000.

Bernard Sunley Foundation

Grants are available to charities, specialist schools, CIOs, and other not-for-profit organisations including scout and guide groups, and housing associations, that are working to raise the quality of life for people in England and Wales.

The Bernard Sunley Foundation aims to provide greater opportunities for the young, elderly, disabled, and disadvantaged by supporting capital projects in the areas of:

- Community
- Education
- Health
- Social welfare

The types of projects that could be supported include:

- improvements to village halls
- supporting children and adults with special educational and learning needs
- improvements to hospices and treatment clinics
- supporting day centres for the elderly

The Foundation offers three levels of grants. These are large grants of £20,000 and above; medium grants of up to £20,000 and small grants of £5,000 and under. Large and medium grants are considered and agreed upon at Trustees' meetings. Small grants are agreed by Trustees monthly and form the majority of grants awarded.

Applications can be made at any time

Jean Sainsbury Animal Welfare Trust

Charities registered in the UK and working to offer sanctuary, rehoming and rehabilitation to animals in the UK and/or internationally can apply for grants of up to £35,000. Organisations involved with the conservation of wildlife, the rescue, rehabilitation and (where possible) release of animals are also eligible to apply.

The funding supports general running costs or capital purchases. The Trust encourages repeat applications from charities when further financial support might be given if funds allow.

Applications are currently open

The Garfield Weston Foundation

A charitable grant-making foundation, which supports a wide range of causes across the UK, donating over £90 million annually.

Operating/Core Costs

Through the Operating/Core Costs grants programme the foundation provides funding towards the general costs of running an organisation. This means they can be used to help pay the organisations bills or rent and provide support towards salaries

Capital projects

Through the Capital Projects grant programme the foundation provides funding of no more than 10% of a total project cost. However, for local community projects (e.g. village halls, community centres, places of worship, etc.), grants are unlikely to be over £30,000 regardless of the project size.

Applications can be submitted at any time

National Lottery Heritage Fund

The Heritage 2033 strategy is centered around a simplified framework of four investment principles:

- Saving heritage
- Protecting the environment
- Inclusion, access and participation
- Organisational sustainability

The entry level has now been increased to £10,000. The application guidance and forms have been changed to reflect the new strategy and materials have been simplified proportionately to the amount of money you are applying for.

D'Oyly Carte Charitable Trust

Grants are available for UK registered charities seeking to enhance and improve people's lives through the advancement of the arts, health and medical welfare, and the environment.

The D'Oyly Carte Charitable Trust typically awards grants of between £500 and £6,000 for projects and core costs, with a preference for small-scale, locally based initiatives.

The types of services provided to communities could include:

- Arts: Promoting access to the arts, providing performance development opportunities for early-career artists, and supporting charities that engage young people on the fringes of society through music and drama projects
- Environment: Conserving the countryside, encouraging voluntary work and active involvement in hands-on activities, particularly those that benefit young people, and supporting rural crafts and skills in heritage conservation
- Medical Welfare: Supporting charities that alleviate the suffering of adults and children with medical conditions, providing music and art therapy to improve quality of life, and providing breaks for carers without regular support

There are three grant-making meetings held annually which take place in March, July, and November.

Projects should have a start date of at least three months after the meeting date.

The next deadline for applications is June 2025

Allan Lane Foundation - Young People's Programme

The Allan Lane Foundation is offering grants of between £5,000 and £25,000 to charities and not-for-profit organisations working with young people aged 12-21 who are socially excluded or marginalised, and who may have experienced significant issues within their lives.

The grants can be used to support a range of activities, including core costs, project work, and capital expenditure.

The Foundation is particularly interested in supporting organisations that focus their work on:

- Young people within the criminal justice system or those at risk of offending
- Looked after children or care leavers
- Those with significant mental health concerns or complex needs
- Young people who have been traumatised by challenging family backgrounds, neglect, violence or abuse
- Those that have fallen through the gaps in care and/or education
- Those already affected by, or vulnerable to, exploitation
- Whose experiences could seriously impact their transition into adulthood

To maximise the impact of its grants, the Foundation will only fund smaller organisations. Organisations that work across a local area, such as a village, estate, or town, must have an annual income of less than £100,000 to be eligible. Organisations that work across the entire UK must have an annual income of less than £250,000 to be eligible.

Applications can be submitted at any time

Tesco - Tesco Stronger Starts Programme

Tesco is introducing a £5 million grant programme to give children across the UK a stronger start in life. The grants will help schools and children's groups provide nutritious food and healthy activities that support young people's physical health and mental wellbeing, such as breakfast clubs or snacks, and equipment for healthy activities.

Priority is given to projects that provide food and support to young people.

Every three months, three local good causes/ projects are selected to be in the blue token customer vote in Tesco stores throughout the UK. Grants will be awarded depending on the number of votes their project receives.

Examples of eligible applications with a focus on food security, children and young people could be:

- A school providing pupils with food for breakfast clubs or snacks throughout the day.
- A school wanting to buy equipment for outdoor or indoor activities.
- A school wanting to develop a food growing area.
- A school supporting an after-school club.
- A voluntary organisation working with families to run a food bank.
- An organisation addressing holiday hunger.
- A healthy eating project that supports families to cook healthy meals on a budget.
- A Brownie or Scout group needing funding for new play equipment or activities.

The Tesco Stronger Starts Programme is managed by Groundwork across the UK.

BlueSpark Foundation

Schools, colleges and community groups in England can apply for grants to BlueSpark Foundation to support the education and development of children and young people through educational, cultural, sporting and other projects.

BlueSpark is particularly keen to support projects which will help enhance the self-confidence, team working skills and future employability of children and young people. In most cases, grants will be made on a relatively small scale.

The Foundation makes grants of up to £5,000. The majority of grants awarded however, are below £2,000.

The funding available can be for physical assets (such as iPads, sports equipment, or lighting for stage productions) or for services or facilities (such as sports coaching or music or drama tuition) or simply for the provision of experiences (such as theatre visits). These examples are intended to be illustrative and not restrictive as to the funding which BlueSpark may provide to support projects.

Applications are reviewed on a rolling basis at approximately 8-week intervals
