[EasyFundraising – Erewash Community Groups](#)

Erewash Voluntary Action knows how difficult it is for community groups, voluntary organisations and good causes in Erewash to access funding, that is why we have partnered with [easyfundraising](#), the online fundraising platform that turns online shopping into free donations for good causes.

Every online purchase can mean more; more supplies, more support, and more opportunities for the members who rely on you. Easy by name and nature, easyfundraising works with over 6,000 everyday online retailers such as Amazon, eBay, Argos, M&S, Sainsbury's, Aldi and Iceland who will donate to your organisation to say 'thank you' for shopping with them.

[Free to sign-up and free to use](#), it is a fantastic opportunity to benefit from an additional funding stream from something you, your team, volunteers, and supporters are already doing anyway.

Three steps to getting off to a great start:

[Set up a free easyfundraising page for your organisation](#) – this only takes a couple of minutes.

Share your page with everyone associated with your organisation, so they can start supporting you every time they shop online.

Every three months, receive a payment from easyfundraising – easy as that!

easyfundraising will give you lots of support to help you get up and running and raising as much as possible. You can even have a free 1-2-1 call with one of the team for a demo of the site, advice and fundraising.

Erewash Borough Council – Community Grant Scheme

Erewash Borough Council's community grant scheme gives both large and small voluntary organisations the chance to apply for funding of up to £2,000 for projects and services that benefit Erewash residents. Applications can be made subject to eligibility for innovative projects. It is an integral part of the application process that applicants can demonstrate their project is needed within the area, and that applications clearly demonstrate the benefits to the residents of the borough.

Preference will be given to funding applications which meet the council's priorities, including those contained in EBC's current Corporate Plan, together with any others detailed at the time grant funding is made available.

In addition to the priorities mentioned above, projects that can demonstrate a positive impact on one or more of the following areas will be welcomed:

- Improving community cohesion.
- Improving mental and physical health.
- Reducing social and economic inequality.
- Reducing barriers to activities.

Applicants are encouraged to read the scheme guidance notes

For further information contact Colin Handley Community Engagement Officer
Telephone 0115 9072244 ext. 3575 or email EBCsmallgrants@erewash.gov.uk

Erewash Borough Council – Members Grant Scheme

For the 2021/22 financial year, each Erewash councillor has £250 award to organisations within their ward (where applicable some Councillors will have an additional amount available to them as a result of carrying forward unallocated grant funding from 2020/21). It is for each councillor to determine which project(s) or organisation(s) they wish to support. The scheme allows a wide degree of flexibility in the type of project a councillor may support and the amount (minimum £50) they wish to allocate, subject to approval.

Activities that complement the council's draft core priorities:

- A safe, clean and welcoming borough
- Improved access to services
- Delivering efficient and effective services that residents need
- Creating opportunities for economic growth and prosperity
- A well run and efficient council
-

Organisations (including registered charities, community and voluntary groups, Community Interest Companies, Social Enterprises) within the councillor's own ward, or councillors may join together to support a project covering two (or more) wards.

- Councillors can allocate the entire £250 to one organisation, but where multiple organisations are to be awarded funding, there is a minimum award of £50 per organisation.
- Capital purchase items.
- Match funding for a project. Funding will be agreed but not allocated until the applicant confirms that all match funding is in place.

The scheme is administered by the council's Community Engagement Officer, colin.handley@erewash.gov.uk However, organisations are advised that EBC

Councillors are responsible for fully completing and signing grant application forms before they are submitted to the Community Engagement Officer.

Foundation Derbyshire - The Police and Crime Commissioner Community Investment Fund

The Police and Crime Commissioner Community Investment Fund has four main themes. If your group submits an application to this fund, it must be able to fit at least one of the themes:

- Activities that help to reduce anti-social behaviour and other causes of crime within your community
- Activities that support vulnerable young people who are either at risk of committing a crime or becoming the victims of crime
- Projects that promote personal and/or community safety
- Projects that help to improve your local community either through an activity that bring everybody in the community together or through improving the community physically (renovating a building or creating a new community space).

The maximum grant is currently **£2,000**.

There are no fixed closing dates. The panel only meets twice a year. If your project is time sensitive contact the Foundations grants team to ensure your project will receive a decision before any planned activity or costs are met.

Motability – Community Transport Grant Programme

In 2022 Motability are launching six new grant programmes to help to address the challenges that disabled people face accessing transport. The Community Transport Grant Programme was launched on 1st April 2022.

The Community Transport Grant Programme will focus on:

- Funding support for staff or volunteer training and costs.
- Funding to increase the number of vehicles available in the community to help organisations support disabled people.
- Funding local, regional, or national initiatives to increase awareness of community transport and influence its inclusion in transport strategy and policy.
- Funding to schemes, programmes and initiatives that already exist, and who provide best practice solutions, but need further support to remain operational or scale up the service they can provide to help more disabled people.

Who can apply:

- Medium and large charities and organisations
- Annual income of at least £150,000 per annum
- Other types of formally constituted organisations such as Community Interest Companies, provided they have a charitable purpose and support disabled people with their transport needs.

The minimum grant value for this programme is £100,000, and the maximum grant value is £4,000,000

Applications can be submitted at any time until March 2025.

The Wakeham Trust

The Wakeham Trust state on their website that “Our core goal is to help small groups of people who are getting together to make a difference in their communities. On the whole, we do not support big or established charities. We are especially interested in helping groups that are starting up and need a little seed money to help them get going”.

They like to fund:

- A new idea for a particular community
- Small grants and small projects – £125 - £2,500
- Run by ordinary people, not professionals.
- Projects that do not normally get support
- Projects which could become self-supporting
- Groups of people who often need help themselves but through projects also help others e.g., older people, refugees, and young offenders

There are no deadlines open all year round

Energy Saving Trust

The Ofgem Energy Industry Voluntary Redress Scheme has opened the first funding round in phase two of the scheme. A total of £27 million is available as grants to charities and community energy groups that support households most at risk from cold homes and high energy bills across England, Scotland and Wales.

The scheme is funded by distributing payments from energy companies who may have breached Ofgem rules.

Projects should also focus on enabling a just transition to national net zero carbon emissions targets and reducing the impact of climate change associated with energy consumption.

The priorities of the scheme are to support energy consumers in vulnerable situations, develop innovative products or services and empower consumers to reduce their carbon emissions.

There are four funds open in this funding round to enable charities to deliver a range of new and innovative energy related projects.

- The Main Fund contains £18 million - aimed at projects seeking grants between £50,000 and £2 million that will support households in vulnerable situations.
- The Small Project Fund contains £1 million – aimed at projects seeking grants between £20,000 to £49,999 that will support households in vulnerable situations.
- The Innovation Fund contains £4 million – aimed at projects that will develop innovative products or services to benefit households. Applicants can apply for grants between £50,000 to £1 million.
- The Carbon Emissions Reduction Fund contains £4 million – aimed at projects that empower householders to reduce their carbon emissions and engage positively with the transition to net zero. The fund awards grants between £50,000 to £1 million.

The deadline for applications is 5.00pm on Monday 6 June 2022.

Aviva - Community Fund

Aviva has launched the next round of its Community Fund. Aviva has teamed up with the fundraising platform Crowdfunder to offer funding of up to £50,000 to small charities, schools and community interest groups in the UK with innovative ideas that benefit their community. Every three months from January 2020 onwards, £250,000 will be split equally among Aviva's UK employees to donate to the projects that matter to them most.

Aviva wants to support projects that boost the resilience of communities in the face of uncertainty and will be supporting projects in two key areas:

- **Climate Action:** Promoting healthy, thriving communities by preventing, preparing for and protecting against the impacts of climate change.
- **Financial Wellbeing:** Helping people to take control of their wellbeing by giving them the tools to be more financially resilient and independent.

To take part the project must also be raising funds to develop a new approach, product or technology, pilot a new scheme, implement a new initiative, or expand existing services to a new area or beneficiary group. All beneficiaries must be in the UK

Once applications have been submitted, applicants will need to create a fundraising page on Crowdfunder that Aviva employees can browse and donate funds to. Applicants can also showcase their projects to raise additional public donations.

The closing date for applications is 12 July 2022

Coop Local Community Fund

Grants are available for small, locally based voluntary and community groups to support projects which benefit local communities around Co-op food stores and funeral homes across the UK. The funding aims to help communities to come together, co-operate and have a positive impact on community wellbeing – physically and virtually.

Grants are determined by Co-op community members who vote on the project they wish to support in their local community. You can apply if your project:

- brings people together to access food
- helps improve people's mental wellbeing
- creates opportunities for young people to be heard and make a difference
- helps people protect local biodiversity or tackle climate change by reducing carbon emissions

•
The more members that select a project and shop with Co-op, the more funding the project will receive. Applicants are encouraged to promote their project online, on social media and in their community. In most areas, this is between £1,000 and £3,000 on average. Successful groups will receive a minimum of £1,000 to support their projects. Up to 3 projects in each community will be chosen.

Joseph Rowntree Charitable Trust - Sustainable Futures Fund

The Joseph Rowntree Charitable Trust recognises that climate change caused by human activity is threatening the well-being of humanity and that the wealthiest

countries and individuals are responsible for a disproportionate share of emissions, whilst the poorest countries and sections of society are the most vulnerable to the impacts of climate change.

In order to tackle this issue, the Sustainable Futures fund focuses grant making on:

- Identifying the true costs and risks of resource depletion, climate change and other environmental problems
- Campaigns, initiatives and work that promote alternatives to consumerism
- Campaigns and movements that give a voice to young activists and marginalised groups on issues of economic and environmental justice.
-

Grants are available from a few hundred pounds to over £100,000 and may be single payments or spread over up to three years.

Funding priorities are:

- Better economics – with grants funding work that explores how sustainability rather than traditional forms of economic growth.
- Beyond consumerism – funded work will include that which engages people individually and collectively in moving culture away from consumerism and towards more sustainable ways of living.
- New Voices – funding for campaigns and movements that enable marginalised groups and young activists to have a voice in decisions which affect them.
- Responding to the dual harms of Covid-19 and systemic racism.

To apply, organisations need to register with the Trust's grants management system.

The deadline to register is the 28 October 2022 and the deadline to apply is 5pm on the 14 November 2022.

Everyday Heritage Grants: Celebrating Working Class Histories

Historic England is making grants available to fund community-led projects that will celebrate 'overlooked' working class histories.

Community or heritage organisations can apply for grants of up to £25,000 for projects that will celebrate the built or historic environment near them. The funding is made available through 'Everyday Heritage Grants: Celebrating Working Class Histories', which will support projects that allow people to share "overlooked" or "untold" stories of the place where they live.

Grants could be used to celebrate aspects of diverse heritage including railways, mines, factories, pubs, clubs, shipyards and council estates.

Historic England are particularly interested in funding smaller grass roots projects of less than £10,000.

Activities should provide volunteering opportunities for young people or people facing loneliness or isolation, as well as contribute positively to participants' wellbeing.

The closing date for applications is the 23 May 2022.

GEM Road Safety Charity

The GEM Road Safety charity has announced that funding is now available to support projects which aim to increase road safety. Applications are accepted from registered charities, road safety organisations, universities and groups with a clearly defined and well-planned project.

The GEM Road Safety Charity aims to reduce the number of people killed or seriously injured on the roads across the United Kingdom by making grants and providing financial assistance to support innovative projects that have regional or national significance.

The Trustees encourage applications that seek match funding for partnership-based road safety projects, activities or initiatives, where the outcome of the project is greater than could be achieved by the GEM Charity grant alone.

The closing date for applications is the 31 May 2022.

The Matthew Good Foundation

The Matthew Good Foundation has launched a Grants for Good Fund to support small charities, not-for-profit groups and social entrepreneurs who are passionate about making a difference to people, their community or the environment.

The Fund will share £10,000 between five shortlisted projects, which will be voted for by John Good Group employees. The project that receives the most votes will receive a grant of £3,500, second place £2,500, third place £2,000 with fourth and fifth place both receiving £1,000.

As well as established projects and charities, the Foundation are keen to hear from people with innovative ideas that need some funding to get their projects up and running.

To be eligible, applicants will have to have had an income of less than £50,000 in the last 12 months.

The closing date for the next funding round is 15 June 2022
